

ALL-N-1-LANDSCAPE

LANDSCAPE FOREMAN POSITION

Position Reports to Lawrence, KS Office

Plans, organizes and coordinates landscape crew in hardscape and softscape design installations.

SOFTSCAPE INSTALLATIONS may include planting and maintaining trees, shrubs, flowers, laying sod, reseeding, mulching, tree and shrub trimming etc.

HARDSCAPE ISNTALLATIONS may include terracing, building retaining walls, constructing pathways, patios/pavers, decks, fencing, pergolas, outdoor living areas, etc.

The foreman position will work closely with designer/salesperson to review proper installation of designs, coordinate material purchases and equipment needs. The foreman will have excellent communication skills to interact with team members and customers in a professional manner. The Landscaping Foreman is responsible for safely directing and supervising the work crew while following and applying all company policies/procedures. This position provides training and direction while working with the crew that demonstrates our high quality standards. The Landscaping Foreman is responsible for using PDA to track crew time, proper job-site organization, proper tool maintenance/care, and turning in receipts daily to the office.

MANDATORY JOB REQUIREMENTS

Valid Driver's License, Clean Driving Record, Able to Pass Drug Test, Ability to read blueprints and material lists, Excellent organizational and prioritization skills, Working knowledge of proper planting techniques, Experience building retaining walls, Paver-patio/walkway installation experience, Experience with French Drain Installations and other drainage solutions, Supervisory Experience and Familiarity with operating related equipment and tools in a safe manner.

PREFERRED ADDITIONAL SKILLS

Knowledge of pouring concrete, deck building, fence building/installation, general carpentry skills. It is a bonus if you are familiar with exterior lightscaping, water features/ponds, and outdoor living area installations.

All-N-1-Landscape is seeking a quality-minded, positive individual who has proven leadership skills that can work in a great team environment.
